

Geranium Bourbon Essential Oil

DESCRIPTION

Geranium is a small shrub measuring about 3 feet in height often grown for their beautiful foliage and flowers. These flowers are often red, purple or white in color and the petals are sometime used as a flavoring in jellies, jams and decoration in salads. It is also used as a flavoring in pipe tobacco. Geranium oil is used in aromatherapy and massage therapy for many benefits that include detoxifying and relieving tension.

DETAILS

Origin: China

Plant part: Leaves and Flowers

Botanical Name: *Pelargonium graveolens* L'Her.

Extraction method: Steam Distilled

Blends With: [Bergamot](#), [Clary Sage](#), [Juniper](#), [Lavender](#), [Lemon](#), and [Nutmeg](#).

Aroma: Has a herbaceous quality layered with a strong green undertone. Ends with a sweet, dry floral aroma. Please note this oil is primarily used for its therapeutic qualities and not for its aroma. Some find it overpowering and unappealing.
