

## Lemon Essential Oil

### DESCRIPTION

Lemon oil is extracted from the fruit produced on a small evergreen tree originally native to Asia, but is currently also found in some areas of the United States and Southern Europe. This yellow fruit is used for both culinary purposes and cleaning purposes. Lemon essential oil has been used to enhance mood and is widely popular for its antibacterial benefits. Another popular method of use is in a diffuser to purify the air!

### DETAILS

## SAFETY, STORAGE AND SHELF LIFE

**Safety:** Proper dilution should be followed. A dilution of more than 3% can cause sensitivity to the sun. A small skin test is recommended prior to use. Avoid contact with eyes.

**Storage:** Always store out of direct sunlight and away from heat. If possible store in refrigeration for extended life.

**Shelf Life:** 24 Months

We have some additional information about [essential oil storage](#) on our blog.

## ADDITIONAL INFORMATION

**Bottling:** Our 5ml, 10ml and 15ml bottles come with euro dropper tops. Our 30ml and 60ml bottles will come with a traditional top and a complimentary dropper with a measured glass pipette for easy measuring. The complimentary dropper should not be used while storing the essential oil.
